The obligations of the Agents are several and not joint.

3 Issue of Securities

3.1 Issue of Certificates

Immediately before issue, the Issuer shall deliver to the Registrar a duly executed Unrestricted Global Certificate representing Securities sold in transactions outside the United States in reliance on, and in compliance with, Regulation S under the Securities Act and a duly executed Restricted Global Certificate representing Securities resold within the United States pursuant to, and in reliance on, Rule 144A under the Securities Act which shall bear the legend as set out in Schedule 2 Part 2 and Schedule 2 Part 1 to the Trust Deed, respectively. The Registrar (or its agent on its behalf) shall, after checking the Global Certificates, certify the Register correctly, authenticate them and deliver them to a custodian for DTC to the order of the Issuer.

3.2 Delivery of Certificates

The Issuer authorises and instructs the Registrar (or its agent on its behalf) to authenticate the Unrestricted Global Certificate and each Restricted Global Certificate. Following receipt of any Global Certificate, the Principal Paying Agent shall (in the case of any unauthenticated Certificate, after authentication by or on behalf of the Registrar) deliver it to the custodian for DTC to be held in safe custody for the account the DTC participants entitled thereto in accordance with the instructions of the Issuer.

The Principal Paying Agent shall promptly notify the Registrar if for any reason a Certificate is not delivered in accordance with the Issuer's instructions. Failing any such notification, the Registrar shall cause an appropriate entry to be made in the relevant Register to reflect the issue of the Securities to the person(s) whose name and address appears on each such Certificate on the Issue Date (if any).

3.3 Transfer or exchange of interests in the Restricted Global Certificate for interests in the Unrestricted Global Certificate

If the holder of a Security represented by the Restricted Global Certificate deposited with DTC wishes at any time to transfer such Security to a person who wishes to have such Security thereafter represented by the Unrestricted Global Certificate, such holder may, subject to the rules and procedures of DTC, so transfer or cause the transfer of such Security provided, however, that the transferee shall deliver a duly completed certificate in the form provided for in Schedule 3. Following receipt by DTC or its custodian from the transferor participant two business days prior to the relevant settlement date or such lesser period as shall be acceptable to DTC and the Agents, of a free of payment instruction (such instruction to contain participant's account with DTC to be debited with such Security and information regarding the details of the receiving accountholder at DTC), on the settlement date, DTC or its custodian will debit the account of the transferor participant and credit the relevant account of the transferee participant, in accordance with such instruction. In addition, on the settlement date, DTC or its custodian will instruct the Registrar to reduce the amount of the Securities registered as being represented by the Restricted Global Certificate by the aggregate principal amount of the Securities to be so transferred and, concurrently with such reduction, to increase the amount of the Securities registered as being represented by the Unrestricted Global Certificate by the aggregate principal amount of such Securities to be so transferred. DTC shall procure the endorsement of the Global Certificates accordingly.

3.4 Transfer or exchange of interests in the Unrestricted Global Certificate for interests in the Restricted Global Certificate

If the holder of a Security represented by the Unrestricted Global Certificate deposited with DTC wishes at any time to transfer such Security to a person who wishes to have such Security thereafter represented by the Restricted Global Certificate, such holder may, subject to the rules and procedures of DTC, so transfer or cause such transfer of such Security provided, however, that the transferee shall deliver a duly completed certificate in the form provided for in Schedule 2. Following receipt by DTC, or its custodian, from the transferor participant two Business Days prior to the relevant settlement date or such lesser period as shall be acceptable to DTC and the Agents, of a free of payment instruction (such instruction to contain information regarding the participant's account with DTC to be debited with such Security and information regarding the details of the receiving accountholder at DTC) on the settlement date, DTC, or its custodian, will debit the account of the transferor participant and credit the relevant account of the transferee participant in accordance with such instruction. In addition, on the settlement date, DTC or its

custodian, will instruct the Registrar to reduce the amount of the Securities registered as being represented by the Unrestricted Global Certificate by the aggregate principal amount of the Securities to be so transferred, and concurrently with such reduction, to increase the amount of the Securities registered as being represented by the Restricted Global Certificate by the aggregate principal amount of such Securities to be so transferred. DTC shall procure the endorsement of the Global Certificates accordingly.

3.5 Transfer or exchange of interests in a Global Certificate for or in the form of interests in the same Global Certificate

Any transfer of an interest in the Restricted Global Certificate shall be subject to the restrictions and limitations set out in the legend thereon. No other restrictions and no certification requirements shall apply with respect to the transfer or exchange of (1) an interest in the Securities represented by the Restricted Global Certificate for or in the form of an interest in the Securities represented by the Restricted Global Certificate or (2) an interest in the Securities represented by the Unrestricted Global Certificate for or in the form of an interest in the Securities represented by the Unrestricted Global Certificate. Such transfer or exchange shall be effected in accordance with the rules and procedures of DTC (or a successor depositary), as applicable.

3.6 No other transfers

Subject to sub-Clauses 3.3 to 3.5 above and sub-Clause 3.7 below, transfers of Securities represented by a Global Certificate shall be limited to transfers of all but not some of such Securities to nominees of DTC, to a successor of DTC, such successor's nominee, or such depositary other than DTC (or a nominee thereof) as the Issuer may designate.

3.7 Exchange of interests in the Global Certificates for individual definitive Certificates:

3.7.1 Only in the event that (i) DTC notifies the Issuer that it has ceased to be a clearing agency registered under the Exchange Act, or that it is no longer willing or able to discharge its responsibilities as depositary or has ceased to be a "Clearing Agency" registered under the Exchange Act, and the Issuer is unable to locate a qualified successor within 90 days of such notice, (ii) if instructions have been given for the transfer of an interest in the Securities represented by one Global Certificate to a person who would otherwise take delivery thereof in the form of an interest in the Securities represented by the other Global Certificate where such other Global Certificate has been exchanged for definitive Certificates, (iii) if principal in respect of the Securities is not paid when due or (iv) the Issuer provides its consent, the Issuer will cause sufficient individual definitive Securities to be executed and delivered to the Registrar for completion, authentication and despatch to the relevant Holder(s) in accordance with the Conditions.

3.7.2 Upon one of the events set forth in Clause 3.7.1 occurring, a holder of Securities represented by a Global Certificate will provide the Registrar with:

- (i) a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such individual definitive Certificates; and
- (ii) either (a) a fully completed, signed certification substantially to the effect that the exchanging holder is not transferring its Security at the time of such exchange or, (b) in the case of a simultaneous transfer, a duly completed certificate substantially in the form provided for in Schedule 2 hereto with respect to the

Restricted Global Certificate or Schedule 3 hereto with respect to the Unrestricted Global Certificate.

3.7.3 Upon receipt of the documents referred to in Clause 3.7.1 and, if required, Clause 3.7.2, the Registrar shall arrange for the execution and delivery to or upon the order of the person named in such order of an individual definitive Certificate representing Securities registered in the name or names requested by such person or persons and the Registrar shall alter the entries in the Register in respect of the Securities accordingly.

3.7.4 Except for exchanges made in connection with a transfer of Securities in accordance with Regulation S pursuant to Clause 3.7.2(ii)(b), individual definitive Certificates issued in exchange for interests in the Restricted Global Certificate shall bear the appropriate Securities Act legend.

3.8 Transfer or Exchange of Individual Definitive Securities

Subject to the provisions of this Clause 3 and Schedule 1, the holder of Securities represented by individual definitive Certificates may transfer or exchange such Securities. The Registrar shall register the transfer of such Securities, subject to the same restrictions and certifications applicable to a transfer of interests in a Security evidenced by the Restricted Global Certificate and the Unrestricted Global Certificate, respectively.

3.9 Signing of Certificates

The Certificates shall be signed manually, electronically or in facsimile on behalf of the Issuer by a duly authorised signatory of the Issuer. The Issuer may however adopt and use the signature of any person who at the date of signing a Certificate is a duly authorised signatory of the Issuer even if, before the Certificate is issued, he ceases for whatever reason to hold such office and the Certificates issued in such circumstances shall nevertheless represent valid and binding obligations of the Issuer. Certificates shall be printed, in accordance with all applicable stock exchange requirements.

3.10 Clearing Systems

In delivering any Global Certificate in accordance with Clause 3.2.1, the Principal Paying Agent shall give instructions to the relevant clearing system to hold the Securities represented by it to the order of the Principal Paying Agent pending transfer to the securities account(s) referred to in Clause 3.2.1. Upon payment for any such Securities being made to the Principal Paying Agent, it shall transfer such payment to the account of the Issuer notified to it by the Issuer. For so long as any such Security continues to be held to the order of the Principal Paying Agent, the Principal Paying Agent shall hold such Security to the order of the Issuer.

3.11 Details of Certificates Delivered

As soon as practicable after delivering any Certificate, the Principal Paying Agent or the Registrar, as the case may be, shall upon receipt of a written request supply to the Issuer and the other Agents all relevant details of the Certificates delivered, in such format as it shall from time to time agree with the Issuer.

3.12 Outstanding Amount

The Principal Paying Agent shall, upon written request from the Issuer, inform such person of the aggregate principal amount of Securities then outstanding at the time of such request.

4 The Trustee

4.1 Agents to act for Trustee: The Agents shall, on demand in writing by the Trustee made at any time after an Event of Default or a Potential Event of Default has occurred and until notified in writing by the Trustee to the contrary, so far as permitted by applicable law:

4.1.1 act as Agents of the Trustee under the Trust Deed and the Securities on the terms of this Agreement (with consequential amendments as necessary and except that the Trustee's liability under this Agreement for the indemnification, remuneration and expenses of the Agents will be limited to the amounts for the time being held by the Trustee in respect of the Securities on the terms of the Trust Deed and available for such purpose) and thereafter to hold all Securities and all moneys, documents and records held by them in respect of Securities to the order of the Trustee; or

4.1.2 deliver all Securities and all moneys, documents and records held by them in respect of the Securities to the Trustee or as the Trustee directs in such demand.

4.2 Notices of change of the Trustee: The Issuer shall forthwith notify the Principal Paying Agent of any change in the person or persons comprising the Trustee.

5 Payment

5.1 Payment to Principal Paying Agent: The Issuer will, prior to 10.00 a.m. London time, on each date on which any payment in respect of the Securities becomes due, transfer or procure that there is transferred to the Principal Paying Agent such amount as may be required for the purposes of such payment. The Issuer will procure that the bank through which such payment is to be made will supply to the Principal Paying Agent, on or before 10.00 a.m. London time on the second Business Day before the due date for any such payment an irrevocable confirmation (by authenticated SWIFT message or facsimile transmission) of its intention to make such payment. In this Clause 5, the date on which a payment in respect of the Securities becomes due means the first date on which the holder of a Security could claim the relevant payment by transfer to an account under the Conditions.

5.2 Condition to payment by Agents: The Principal Paying Agent will promptly notify each of the other Agents, the Trustee and the Issuer if it has not by the time specified for its receipt received the amount referred to in sub-Clause 5.1.

5.3 Payment by Agents: Unless they receive a notification from the Principal Paying Agent under sub-Clause 5.2 the Agents will, subject to and in accordance with the Conditions, pay or cause to be paid on behalf of the Issuer on and after each due date therefor the amounts due in respect of the Securities and will be entitled to claim any amounts so paid from the Principal Paying Agent. If any payment provided for in sub-Clause 5.1 is made late but otherwise in accordance with this Agreement, the Agents will nevertheless make such payments in respect of the Securities. However, unless and until the full amount of any such payment has been made to the Principal Paying Agent, none of the Agents will be bound to make such payments.

5.4 Reimbursement of Agents: The Principal Paying Agent will on demand promptly reimburse each Agent for payments in respect of the Securities properly made by it in accordance with the Conditions and this Agreement.

5.5 Late Payment: If the Principal Paying Agent has not by the due date for any payment in respect of the Securities received the full amount payable on such date but receives it later, it will

promptly give notice to the other Agents, the Trustee and, if requested by the Trustee, the Holders that it has received such full amount.

- 5.6 Method of payment to Principal Paying Agent:** The Issuer will, before 10.00 a.m. (London Time), on each date on which any payment in respect of the Securities becomes due, transfer or procure that there is transferred such amount in U.S. dollars as shall be sufficient for the purposes of such payment to such account with such bank as the Principal Paying Agent may from time to time notify in writing to the Issuer. The Principal Paying Agent shall provide to the Issuer details of the relevant payment and its specified bank with sufficient time in order for the Issuer to satisfy its obligations under this sub-Clause 5.6.
- 5.7 Moneys held by Principal Paying Agent:** Each Agent shall be entitled to deal with money paid to it by the Issuer for the purposes of this Agreement in the same manner as other money paid to a banker by its customers except that no Agent shall exercise any lien, right of set-off or similar claim against the Issuer or any person to whom it makes any payment under Clause 5.3 in respect thereof, nor shall any commission or expense be charged by such Agent in respect thereof. The Agent shall not be liable to anyone for interest on any sums held by it under this agreement and such moneys shall not be subject to the UK Financial Conduct Authority (the "FCA") Client Money Rules (as defined in the rules promulgated by the FCA) and need not be segregated from other moneys, save as otherwise required by applicable law.
- 5.8 Partial Payments:** If on surrender of a Certificate only part of the amount payable in respect of it is paid (except as a result of a deduction of tax permitted by the Conditions), the Agent to whom it is surrendered (where such surrender is required) shall procure that it is enfaced with a memorandum of the amount paid and the date of payment. Upon making payment of only part of the amount payable in respect of any Security, the Registrar shall make a note of the details of such payment in the Register.
- 5.9 Interest:** If the Principal Paying Agent pays out any amount due in respect of the Securities in accordance with the Conditions or due in accordance with Clause 5.4 before receipt of the amount due under Clause 5.1, the Issuer shall on demand reimburse the Principal Paying Agent for the relevant amount and pay interest to the Principal Paying Agent on such amount that is outstanding from the date on which it is paid out to the date of reimbursement at the rate per annum equal to the cost to the Principal Paying Agent of funding the amount paid out (if any), as certified by the Principal Paying Agent, or, if there is no cost of funding, at a rate which represents the Principal Paying Agent's cost of funding such payment, as certified by the Principal Paying Agent (together with such supporting evidence as the Issuer may require). Such interest shall be compounded daily.
- 5.10 Void Global Certificate:** If any Security represented by a Global Certificate becomes void in accordance with its terms after the occurrence of an Event of Default, the Principal Paying Agent shall promptly notify the Agents and, after such notice has been given, no payment shall be made by them in respect of that Security to the extent that the Global Certificate representing such Security has become void.
- 5.11 Notice of Possible Withholding under FATCA:** If the Issuer is, in respect of any payment, compelled to withhold or deduct any amount for or on account of taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions (including any FATCA Withholding), it shall give notice of that fact to the Trustee and each Agent promptly upon becoming aware of the requirement to make the withholding or deduction and shall give to the Trustee and each Agent such information as it may require to enable it to comply with the requirement.

- 5.12 Agent Right to Withhold:** Notwithstanding any other provision of this Agreement, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under any Securities for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the relevant Agent shall (i) make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld, *provided that* it shall have advised the Issuer of such requirement as soon as it becomes aware thereof, so as to allow the Issuer to redirect such payment in accordance with the provisions of Clause 5.13 and (ii) notify the Issuer of any amount so paid by it. The Agents shall not be obliged to pay any additional amounts as shall be necessary in order that the net amounts paid after such deduction or withholding shall equal the amount which would have been receivable in the absence of such deduction or withholding. For the avoidance of doubt, FATCA Withholding is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Clause 5.12.
- 5.13 Issuer Right to Redirect:** If the Issuer determines in its sole discretion that any deduction or withholding for or on account of any Tax will be required by Applicable Law in connection with any payment due to any of the Agents on any Securities, then the Issuer will be entitled to redirect or reorganise any such payment in any way that it sees fit in order that the payment may be made without such deduction or withholding provided that, any such redirected or reorganised payment is made through a recognised institution of international standing and otherwise made in accordance with this Agreement and the Trust Deed. The Issuer will promptly notify the Agents and the Trustee of any such redirection or reorganisation. For the avoidance of doubt, FATCA Withholding is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Clause 5.13.
- 5.14 Deferral of Interest and Arrears of Interest:** Notwithstanding Clauses 5.1 to 5.13, if the Issuer elects to (i) defer all or part of any Interest Payment pursuant to Condition 6(a) (*Optional Interest Deferral – Deferral of Interest Payments*) or (ii) pay any Deferred Interest pursuant to Condition 6(b) (*Optional Interest Deferral – Optional payment of Deferred Interest*), it shall, at least 5 Business Days' before giving notice to Holders, give notice of its election to the Principal Paying Agent. In the absence of receipt of any such notice, the Principal Paying Agent shall be entitled to assume that no amounts are to be deferred. Where the Principal Paying Agent or any other Agent has paid out, or has procured to be paid out, any such amounts (or any relevant part thereof) due in accordance with the Conditions prior to its receipt of notice of deferral in accordance with Clause 14 and subject to the Principal Paying Agent having first used reasonable efforts to recover such payment from the relevant clearing systems prior to onward payment of such amounts to the Holders, the Issuer shall on demand reimburse the Principal Paying Agent.
- 5.15 Mutual Undertaking Regarding Information Reporting and Collection Obligations:** Each party to this Agreement (other than the Trustee) shall, within 10 business days of a written request by another party to this Agreement, supply to that other party such forms, documentation and other information relating to it, its operations, or any Securities as that other party to this Agreement reasonably requests for the purposes of that other party's compliance with Applicable Law (including any reporting obligations under FATCA) or for the purpose of obtaining an exemption from, or reduction in the rate of, deduction or withholding of any Taxes) and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; provided, however, that no party to this Agreement shall be required to provide any forms, documentation or other information pursuant to this Clause 5.15 to the extent that: (i) any such form, documentation or other information (or the information

required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality. For purposes of this Clause 5.15, “**Applicable Law**” shall be deemed to include (i) any rule or practice of any Authority by which any party is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any Authority and any party that is customarily entered into by institutions of a similar nature.

6 Determination and Notification of Reset Interest Rates

6.1 Determination of Reset Interest Rates and Calculation of Interest Amounts: The Calculation Agent will, as soon as practicable after 11.00 a.m. (Central European time) on each Reset Interest Determination Date, determine the Reset Interest Rate in respect of the relevant Reset Period and calculate the Interest Amount payable subject to, and in accordance with, the Conditions.

6.2 Failure to determine Reset Interest Rate: If the Calculation Agent does not at any time for any reason so determine the Reset Interest Rate or calculate the related Interest Amount, it shall forthwith notify the Issuer, the Trustee, the Principal Paying Agent and the other Agents of such fact.

6.3 Determinations of Calculation Agent Binding: All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of Condition 5 (*Interest Payments*) by the Calculation Agent, shall (in the absence of manifest error) be binding on the Issuer, the Trustee and the Agents and all Holders and (in the absence of aforesaid) no liability to the Holders, the Issuer or any other person shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of any of its powers, duties and discretions.

6.4 Publication of Reset Interest Rates: Unless the Securities are to be redeemed on or prior to the next following Reset Date, the Issuer shall cause notice of each Reset Interest Rate and the related Interest Amount to be given to the Trustee, the Agents, any stock exchange on which the Securities are for the time being listed or admitted to trading and, in accordance with Condition 19 (*Notices*), the Holders, in each case as soon as practicable after its determination but in any event not later than the fourth Business Day thereafter.

7 Repayment

If claims in respect of any Security become void or prescribed under the Conditions, the Principal Paying Agent shall (subject to Clause 4.1) promptly repay to the Issuer the amount which would have been due if it or the relative Certificate had been surrendered for the payment before such claims became void or prescribed. The Principal Paying Agent shall not however be otherwise required or entitled to repay any sums received by it under this Agreement.

8 Early Redemption, Variation and Substitution

8.1 Redemption Notice: The Principal Paying Agent shall publish the notice required in connection with such redemption, substitution or variation. Such notice shall specify the date fixed for redemption, or the date fixed for any substitution or variation, the redemption price and the manner in which such redemption, substitution or variation will be effected. In addition, the Principal Paying Agent shall send to each holder of Securities in respect of which any option is

- 9.4 Destruction:** Unless otherwise instructed by the Issuer or unless, in the case of the Global Certificate, it is to be returned to its holder in accordance with its terms, the Registrar (or its designated agent) shall destroy the cancelled Certificates in its possession and send the Issuer and the Trustee a certificate giving the certificate numbers of such Certificates in numerical sequence.

- 9.5 Records:** The Registrar shall keep a record of the payment, redemption, replacement, cancellation and destruction of all Securities. It shall make such record available at all reasonable times to the Issuer and the Trustee.
