saveshare 2016 (5-yr)	353p	01/08/16	01/08/21 – 31/01/22	08/06/16	

The following chart shows the history of the BT Sharesave Schemes from 1985 - 2000.

NB Options granted in 1998, 1999 and 2000 became exercisable early as a result of BT's restructuring in 2001. In the event, the share price was lower than the option price during the exercise period shown so no options were exercised.

Sharesave history 1985 - 2000

Scheme	Option price (pence)	Option price (pence) adjusted for the affect of the rights issue	Commencement date	Maturity period	Share price on first day of maturity period (p)*
SS1	168.00		22/05/85	14/05/90 - 13/11/90	259.00
