To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference in the Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Prospectus, the statements in (a) above will prevail.

Except as disclosed in this Supplement and the Supplements dated 9 August 2024 and 12 August 2024, there has been no significant new factor, material mistake or material inaccuracy relating to the information included in the Prospectus which may affect the assessment of Notes issued under the Programme since the publication of the Prospectus.
